

Comparing Activity

This is an activity to see how well you can identify websites that are reliable and have accurate information.

Write your answers on this worksheet and when finished pass the worksheet onto your teacher/tutor.

You will need to visit two web sites for this activity:

[Man on the Moon - A Rethink](#)

[The Great Moon Hoax.](#)

	<u>Man on the Moon - A Rethink</u>	<u>The Great Moon Hoax.</u>
What is each site's point of view?		
What can you tell about the authors?		
Which author likely has more expertise on the subject?		
Does each site use good evidence to support its claims?		
Which site do you think is more reliable?		
What else interested you about these sites?
